

PROFILE

As a Geomatics Engineer based in Ghorahi-9, Dang, I have a strong foundation in geospatial data analysis, surveying, and technical troubleshooting. I am proficient in industry-standard tools such as GIS, AutoCAD, and various surveying equipment, and I have hands-on experience in hardware maintenance. Passionate about innovative design and integrating technology into practical engineering solutions, I am committed to contributing my technical expertise, problem-solving skills, and collaborative mindset to dynamic teams and forward-thinking projects.
